## Kelebihan Plafon PVC :

- Plafon PVC memiliki bahan yang lebih lentur, lebih ringan dan bisa lebih awet sampai bertahun-tahun. Hal yang membuat awet ini dikarenakan plafon PVC mempunyai kandungan polymer isosianat yang awet dan tidak mudah terurai.
- Desain plafon PVC ini yang cantik dan menarik menjadikan banyak orang yang menyukainya, pemasangan juga cenderung lebih mudah bagi yang telah trampil khususnya dalam pemasangan berbagai jenis plafon.
- Plafon PVC tahan terhadap bocor dan anti rayap, sehingga membuat lebih awet dan tahan dalam jangka waktu lama.
